# ASHBURTON UPDATE

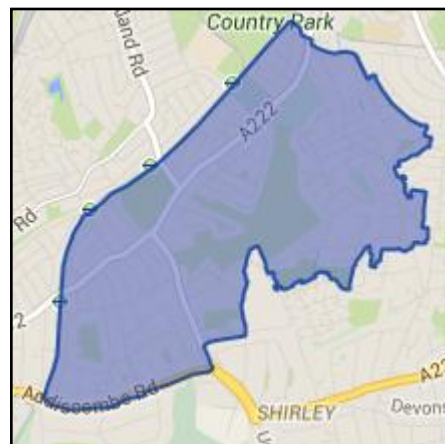

## JUNE 15

There has been a reduction in motor vehicle crime across the ward in the last month but we will continue to patrol the key areas. We have been increasing our plain clothes patrols on night shifts to identify offenders in the area. There however continues to be an increase in moped thefts across the borough so we advise owners to use a secure base to lock their mopeds to which will prevent them being stolen.

Due to half term there has been an increase in anti-social behaviour around the Tollgate Est and Greenview Avenue. We have increased our patrols accordingly but if you are a victim or witness anything please call 101.

## Addiscombe Festival

Thanks to everyone who attended the festival, a great time was had by all. We were disappointed to lose the tug of war this year but in training is underway to prevent another defeat.
